NOTES:

1. This drawing was prepared using the original Trimble Surveyors boundary survey subdivision plans, and easement/right-of-way drawings. This drawing was prepared without the benefit of a title search, therefore this should not be considered a complete boundary survey. Also, other easements and rights-of-way may exist on the properties without the benefit of a title search.
2. The image shown on these drawings has been taken from Pennsylvania Spatial Data Access (PASDA). The image is a 2008 image.
